

National Space Club – Huntsville Chapter

Scholarship Application for Children of Club Members

Scholarship eligibility:

All applicants must meet the following criteria.

- must be citizen or permanent resident of the United States
- be the child or grandchild of a National Space Club – Huntsville Chapter member in good standing
- be a high school senior or a college student with freshman thru junior standing
- have a cumulative weighted GPA of 3.0 or better
- majoring in Science, Technology, Engineering or Math (STEM)
 - consideration given to those students interested in supporting Space related/benefiting activities
- complete this application and submit a 500 word essay themed “Why I am Pursuing a STEM Education and What my Ideal Career Looks Like”
- not have previously been awarded a scholarship from the National Space Club

The scholarship is to support payment of tuition and fees directly to institution, not for room and board.
